

Fighting Online Antisemitism (FOA) Briefing

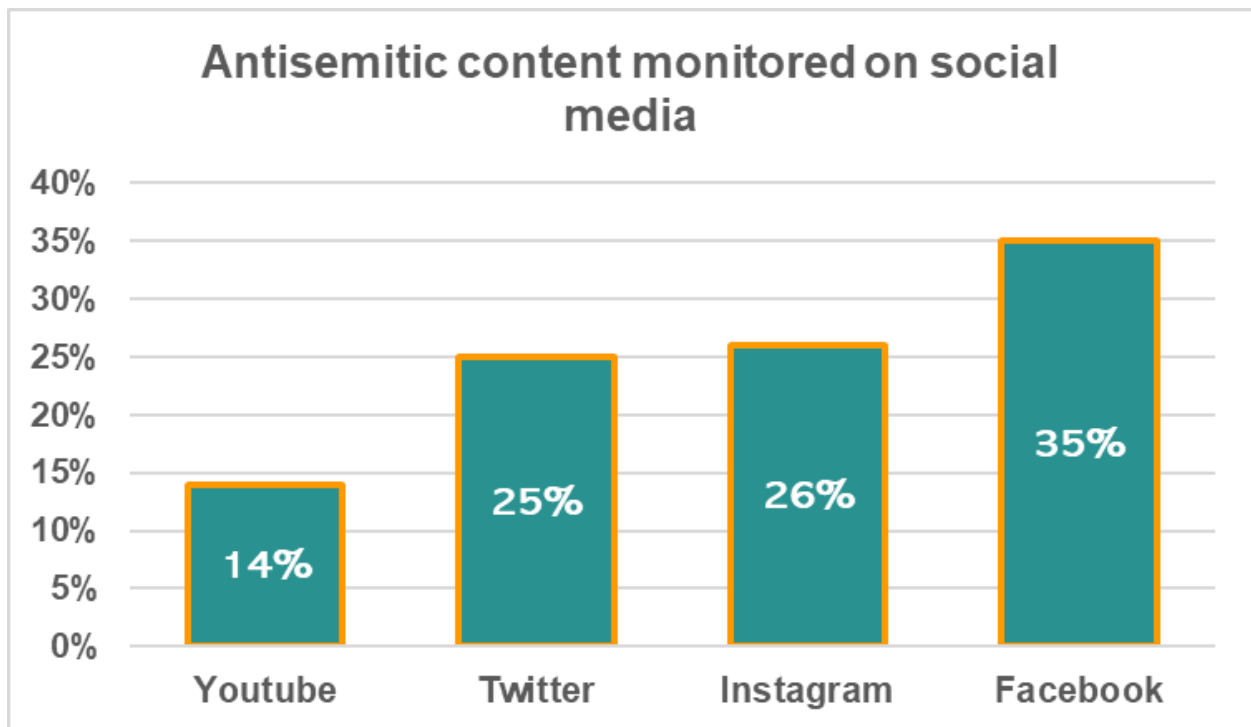

Note – Monitoring Online Antisemitism

Related to COVID-19

Since the global onset of the Covid-19 pandemic, there has been a noticeable increase in online anti-Semitic content. Presently, with most of the world's population confined indoors, there has been an increase in the use of the internet and social media. Concurrently, anti-Semitic discourse, which had been slowly increasing over time, has soared. Such content includes conspiracy theories and base hatred. These theories connect Jews and the State of Israel with the onset of the pandemic, with each theory a slightly different manifestation of the same hate. The content is distributed and shared by individual users, in open, closed, or even secret groups on various social media platforms.

This report reviews antisemitic online content monitored mainly in English, Spanish, and Russian on four leading social media platforms between 17 March and 17 April 2020. Despite an increase in the amount of antisemitic content across all platforms, our own capacity to monitor unfortunately

decreased over last few months. This directly influences the amount of antisemitic content that remains in cyberspace.

The "New World Order"(NWO) is a conspiracy theory about an emerging global totalitarian shadow government. This post makes a connection between the "NWO" and "Israhell" by claiming Israel is the "epicenter for evil" and was created by "Zionist terrorism".

Corona...the tool intricately designed to usher in the NWO globally and for implementation of civil war (We The People vs NWO Washington DC).
 Is it a pandemic? IDK.
 Is it a PLANdemic? Unquestionably YES
THE EPICENTER FOR EVIL...AKA THE SYNAGOGUE OF SATAN

The Tweet claims Israel (Israhell) is weaponizing COVID-19. “Buey” is a version of the Mexican slang “Guey”, which is used in various Latin-American countries.

Ковид уж точно вы, евреи,
 В Китай с посылкой завезли
 Чтоб люди навсегда забыли
 Как вы Христа не сберегли.
 Но не простим мы иудеям
 Христа, меноры и пурим.
 Сначала вирус одолеем
 Потом и им угля дадим.

This Tweet is an antisemitic poem in Russian. The poem claims that Jews sent COVID-19 to China via mail in order to make you forget about “the murder of Jesus”. The author says that she will never forgive the Jews for killing Jesus and will “give coal” to Jews after the virus passes.

This Tweet claims compares COVID-19 to the Jews by saying "Jews are a virus that gains your trust and then kills you. Jews are a deadly Virus".
